9am-1pm, Wynn Middle School Parking Lot

1 Griffin Way (off of Victor Drive), Rain or Shine

Each year, approximately 500 drive-thru donors participate in Zero Waste Day, saving tons of usable items from Tewksbury's waste stream *and* putting those donations into the hands of our neighbors in need. We also recycle 20K+ lbs. of electronics, tires, batteries, etc..

Take some time to clean out your closets, basements, attics and garages, and enjoy a short drive to the Wynn Middle School parking lot where volunteers will unload your vehicle and ensure that your items reach the right donation or recycling truck. Spread the word!

*If you would not share it with a friend,
please don't bring it to Zero Waste Day.*
